## CONDITIONS OF THE PERMIT:

1. Contractor must comply with all state and local traffic, O.S.H.A. and other applicable safety codes and assumes all related liability.
2. Contractor shall be responsible for the relocation / replacement of trees and existing ground cover disturbed.
3. All projects shall include erosion control.
4. Contractor shall notify Frisco Construction Inspection at 972.335.5580 at least 24 hours prior to construction. In case of emergency after normal working hours, notify the Frisco Police Department at 972.335.5505.
5. All construction shall comply with City of Frisco Construction Standards.
6. This permit and accompanying construction plans shall remain at the job site at all times.
7. No utility lines shall be within four feet horizontally of all water or sewer lines. Where water meter cans are existing or proposed, the proposed utility line(s) shall be placed on the customer's side of the can so that there is at least two (2) feet clear distance.
8. All Saturday work must be paid by Thursday at noon at a cost of \$150.00. No Sunday work is allowed
9. Upon completion of construction, make an appointment with Construction Inspection Department for a Final Inspection.
10. Additional permits will be withheld pending Final Inspection for previous construction permits.
- 11. Allow five working days to complete permit.**
12. The use of missiles is not an approved construction method for tunneling.
13. All excavation within City right-of-way requires mechanical compaction equal to adjacent undisturbed materials. Compaction testing may be required at the discretion of the City Construction Engineer.
14. No digging will be allowed within one foot behind curbs or edges of pavement.
15. Call City of Frisco Public Works at 972.335.5520 for locates. No line locates will be provided without an approved permit.
16. Minimum depth of cover for all bores shall be at least two (2) feet from bottom of pavement structure to top of bore or deeper if required to clear other utilities.
